

# 6" STACKABLE PANELS

## EVOLVE | PRODUCT SHEET

The 6" stackable extension modules provides greater flexibility in specifying the Evolve panel system. These stackable modules are available in the same finish options as standard panels. Choose from upholstered, laminate, tempered glass or open modules.

### FEATURES:

- Attaches to the top of an Evolve panel to create privacy or divide workspaces.
- Makes 48" & 60" segment panel heights possible.
- Creates panel heights with seated privacy, while still promoting open space planning.
- Available in fabric, tempered glass, laminate and open frame modules.
- Please refer to the Evolve list price book for further information and current list pricing.
